# P3 MANAGEMENT DELIVERY APPROACH

We lead delivery environments through clear governance, accountable decision-making and disciplined control.

Our approach ensures programmes and projects operate to consistent standards, with risks managed proactively and delivery aligned to organisational objectives.

## **Our delivery approach includes:**

- Establishing governance with defined decision rights and escalation routes.
- Integrating risks, issues and dependencies across delivery workstreams.
- Applying proportionate control through structured reporting and assurance discipline.
- Maintaining visibility of progress through clear metrics and executive dashboards.
- Enabling fast, informed decision-making at every level of delivery.

# MOBILISATION & GOVERNANCE SETUP

Effective delivery begins with decisive mobilisation.

We establish the governance, leadership and control structures required to lead portfolios, programmes and projects from initiation through to delivery with clarity and control.

## **Our mobilisation includes:**

- Setting delivery vision, scope and objectives.
- Defining governance structures, roles and decision routes.
- Establishing reporting standards and assurance checkpoints to support effective oversight.
- Aligning stakeholders and delivery teams to strategic outcomes.
- Ensuring readiness for controlled delivery launch.

# DELIVERY ASSURANCE & CONTROL

We ensure delivery remains aligned to strategic objectives through disciplined assurance and control.

Our leadership provides oversight across risks, decisions and performance, enabling early intervention and evidence-based governance.

## **Our assurance approach includes:**

- Continuous oversight of delivery risks, issues and dependencies.  
.
- Structured stage gate reviews and portfolio checkpoints.  
.
- Performance reporting against agreed delivery metrics and objectives.
- Independent scrutiny of progress, cost and benefits realisation.
- Escalation handling to protect delivery focus and maintain momentum.

# CAPABILITY UPLIFT & LEADERSHIP CONTINUITY

We strengthen internal delivery capability by embedding leadership standards, governance practices and disciplined delivery behaviours.

Our goal is to leave your organisation more capable, confident and in sustained control of future delivery.

## **We build capability through:**

- Working alongside internal leaders and delivery teams to embed governance discipline.
- Transferring proven delivery frameworks, tools and reporting standards into day-to-day practice.
- Coaching leaders in decision-making, risk management and stakeholder accountability.
- Reinforcing lessons learned to drive continuous improvement across portfolios.
- Ensuring delivery maturity continues after our engagement ends.

# GOVERNANCE & DECISION OWNERSHIP

P3 Management operates at the leadership level, ensuring structured governance and decisive control across delivery.

We provide the authority required to maintain direction, resolve conflict and protect strategic outcomes under pressure.

## **We take responsibility for:**

- Chairing and participating in programme and portfolio boards.
- Defining decision routes, escalation pathways and accountability.
- Independent challenge to protect delivery integrity.
- Aligning delivery governance with organisational strategy.
- Ensuring decisions are made with full visibility of risk and impact.

# WHY CONFI?

- We operate as delivery leaders, not consultants, with full accountability for governance and outcomes.
- Trusted to lead complex portfolios and programmes in high-risk, politically sensitive and multi-supplier environments.
- Experienced in navigating political, commercial and multi-supplier landscapes.
- Focused on measurable delivery success, on time, within governance, and aligned to strategic intent.
